

Letter of Congratulations upon Acceptance

Dear Ms. Stewart,

Congratulations, and thank you for agreeing to be our Writer in Residence for Summer 2020!

The only things we need to get started are a signed copy of the attached letter of support for our grant, and any text you think might help us promote you and your work in our grant application. Your website is another rich source of information for that part of our process.

You mentioned that you may need to accommodate a previous engagement. Please feel free to change the dates on this letter, or leave them the same and we will adjust the detailed schedule as needed.

Please feel free to respond to this email with any questions or concerns.

If you would like to talk with someone in person, our Literary Arts Librarian, Margie Trujillo-Farmer, can be reached at 520.594.5656.

Travel safely and stay well, and be assured that we will be here to support your work with the writers in Pima County.

All best,
